

Who Are We

Our company came into existence with the prime motto to manufacture high quality **KHAKHARA** at the most affordable price.

Khakhara is actually a thinly rolled tortilla made from wheat flour, oil and other spices. Each Khakhara is hand rolled and roasted over a heated pan to give it that familiar crunchy taste. Khakhara is a popular snack to carry during travel.

WE MAKE THE BEST KHAKHARA IN YOUR TOWN

Papa's Bite Khakhara is a ready to eat anytime snack which can be consumed as morning breakfast as well as outside of home when anyone is in need of healthy snacks.
